

DBM-500 Booklet Maker

The DBM-500 Booklet maker delivers cutting edge technology and speeds of up to 4,500 booklets per hour. With significant technical upgrades, the fully automatic DBM-500 is exceptionally user-friendly and versatile. Easy changeover is achieved by diverting corner or side-stitched jobs to a separate catch-tray, while other jobs continue to pass through the trimmer onto the belt stacker. Input up to 12 frequently used jobs for effortless changeover.
